

The engine's quiet, the keys at rest,
Yet your journey rolls on, ever blessed.
Now the road bends where we can't see,
But we trust it leads to where you're free.
We'll meet again, when the road is through,
And take that ride once more with you.

"Always focus on the front windshield and not the rearview mirror."
- Colin Powell

"Look on every exit being an entrance somewhere else."
- Tom Stoppard
