Change of Address Notice

To my Family & Friends

I want you to know, I have moved.

I received a call from God, the chief Architect, who informed me that my New home was ready and that I could move in immediately. I just didn't have time to give you notice.

My new home is finished, and it's such a beautiful sight to behold! It is located in an Exclusive Estate, and it sits behind a beautiful Pearly Gate just off a celestial shore.

The streets are paved with Gold, and every day is Sunday here. I have been told that there is Peace, Joy and Happiness here, with no more Pain and cares of the world to bear, no strife or discontent. There is only sweet Serenity everywhere.

Let me give you my new address because I highly recommend you make plans to move here! And oh yes, I have my own Designer here, who has fitted me with my very Own white robe my very own wings. I could go on and on about my new home, but instead, I am going to PRAY that you get to move here yourself One day.... But before I go, let me give you my New Address:
