

ACKNOWLEDGEMENTS

The family would like to take this opportunity to extend our heartfelt thanks and gratitude to the host of friends for all the kind and thoughtful deeds rendered during our time of bereavement. Whatever part you played, it was not unnoticed. Your kind and generous expressions of love, the many phone calls, visits and most of all, your prayers have been our strength and comfort during this time. May God bless and keep each and every one of you.

RECESSIONAL----CLERGY, FAMILY,
AND FRIENDS

When we lose someone we love,
We never seem to look above.
To the one who is there from the start,
we can only see what's in our heart.
We always say it's hard to let go,
of all the love ones we love so.
We need to know that God is near
when we lose someone so dear.
If we keep the loved one in our heart.
Our love for them will never depart.

I miss you FRIEND

I thought of you with love today,
But that is nothing new.
I thought about your yesterday
and days before that too.
I think of you in silence.
I often speak your name
All I have are memories
And your picture in a frame.
Your memory is my keepsake
With which I'll never part.
God has you in his keeping,
I have you in my heart.
Love, Jasmin

Tributes

To the Family from William
Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter,
we've shared throughout the years.

Now I am contended

That my life it was worthwhile,
Knowing that I passed along the way
I made somebody smile.
When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps
Only half a step behind.
So please don't be unhappy
Just because I'm out of sight,
Remember that I'm with you
Each morning, noon, and night.

In memory of a Special Brother
Today is full of memories
of a Brother laid to rest
and every single one of them
is filled with happiness
For you were someone special
always such a joy to know
and there was so much pain
when it was time to let you go
That's why this special message
is sent to heaven above
for angels to take care of you
and give you all my love
Love, Willie (Whee Whee)

The day you left and gained your wings
Our hearts just broke in two
We wish you could have stayed with us
But Heaven needed you
You left us with the memories
And we love you dearly still
No matter how much time goes by
You know we always will
You were a very special person
With kindness in your heart
And the love we had together
Grows stronger now we're apart
We know we cannot bring you back
Although we wish it everyday
But a piece of us went with you
The day you went away
Love, Mama & Ellis (Mr. E.)
