To our Loving Son:

To a loving son in heaven our time together was special so were the memories we made and although you live in Heaven now. Those memories never fade. We bow our heads in silence and remember our son with love and I know that you are up there watching from above everyday's a struggle and nothing feels the same and our heartbreaks a little more everytime we hear your name. You'll always be remembered and time may heal our hearts but a piece of us is missing since the day we had to part If heaven is for angels then I know that's where you'll be and I know you'll be waiting when Heaven calls for me.

Love Mommy

To my son, as a father all I wanted to do was to love you, teach you and protect you. Seth you were the first child in my life, full of laughter and joy. I will never question the Lord above why he came for you on that night. To me it was like a nightmare that I did not want to see. To no longer see your face breaks me everyday. Suddenly you were taken and I did not get to say "Guess how much I love you and that you were my life". The hurt I felt when you passed cut me like a knife. I'll never be complete again. I never will be free from this grief, a solid thing deep inside of me. I wear a mask of coping but am in complete despair. I cannot mend what's broken. My heart's beyond repair. I'll smile if I have to, but that is just a mask. I'll say that I'm ok when people kindly ask, but I cannot be happy. It is something that I will lack. I will never be whole again for I cannot get you back. Son, my only regrets are that if I had known that the last time I saw you would be the last time I seen you, I would have hugged you a little tighter, told you I loved you a little louder and stayed by your side a little longer. My mind knows that you are gone but my heart will never accept it. I miss you and I love you so much son.

Love Dad

Nephew,

They say that there is a reason.... We know that God doesn't make any mistakes. We will never understand but we know that you are now in a better place. A place to be free. A place free of worry and pain. So spread your wings Nephew, fly HIGH! High enough that you can now watch over us all, but low enough that we can still feel your presence. You will be truly missed. WE love you more than you will ever know! Please give my Tae a big hug from me!!!!

Love you always and forever,
Auntie Tammy, Candice & Nikki

Grandson,

Psalms 23:1-3

“The Lord is my shepherd; I shall not want. He leads me besides still water, he restores my soul.”

It gives me peace knowing you are now in the arms of our Lord
Jesus Christ.

Much Love Always,
Papa

I'M FREE

Don't grieve for me for now I'm free,
I'm following the path God laid for me.
I took His hand when I heard Him call:

I turned my back and left it all. I could not stay another
day

To laugh, to love, to work or play.

Tasks left undone must stay that way;

I found my place at the close of day. If my parting has left
a void

Then fill it with remembered joys.

A friendship shared, a laugh, a kiss,

Ah yes, these things I too shall miss. Be not burdened with
times of sorrow:

I wish you the sunshine of tomorrow.

My life's been full, I savoured much;

Good friends, good times, a loved ones touch.
