

What I Know ...

I know you soar with angels now
And that your heart has wings.
I know you're watching over me
Whatever this world brings.

I know you were a gift from God
And that you're safe above.
I know I will see you again
And once more feel your love.

I know you live in Heaven now
And that I must go on.
I know my heart will ache for you
Until my time is done.
