

Lovingly Remembered

With heavy yet grateful hearts, we honor the life and cherish the memory of **Tori Tamicka Khadine Rowe**, who departed this world on August 8, 2026, at the age of 32. Born on December 20, 1993, in Calgary, **Tori's** time among us was marked by an abundance of kindness, generosity of spirit, and an unyielding commitment to those she loved and served.

Tori graced her community with a vivacious energy and a luminous smile. Known for her helpful nature and willingness to give selflessly of her time, she was a beloved presence. **Tori** found joy in mentorship—her involvement with the **Pathfinders Club** at her church stands as a testament to her dedication to uplifting the younger generation. Through her guidance and encouragement, many found direction and inspiration.

Tori held music within her soul. It was another language that she was able to speak fluently and with deep emotional resonance. Her voice soared in harmony with her church group, filling hearts with notes of hope and devotion. She had a keen eye for photography, capturing special moments and transforming them into glimpses of beauty. She delighted in the comforting flavors of a well-crafted oxtail stew, a good fresh salmon, and the simple pleasure of watermelon on a summer's day—reminders of life's goodness in every detail.

Tori will be lovingly remembered by her parents, **Neville & Carolene**, sources of love and strength; her sister, **Maxine Stewart** and her two brothers, **Cerone (Shelly Ann) & Davin Rowe**; seven nieces and nephews, **Arianna, Nakaila, Daijalyn, Nashone, Dezmyrn, Demari & Dymond**; along with aunts, uncles, cousins and many, many friends from her community.
