Recessional.....

Today we celebrate the life of Samuel Banks Meatchem. The son of the late Charles and Geraldine Meatchem. Sam accepted Christ as his Lord and Savior at a early age. The manners in which he carried himself and treated others exemplified his character and love for God. Raised in downtown Cincinnati he loved everything and everyone he grew up with. Sam made no enemies and was loved by so many. He attended Taft High School but finished his high school years at Withrow High School where he met the love of his life Lisa.

After high school, he worked for Wendy's for a short period of time until he was recruited by his good friend Keithen Jones to be a manager at Captain D's in Norwood, OH. He was soon promoted to General Manager for the Roselawn location. Sam ran the restaurant with the upmost pride and joy along with his dedicated team. Sam built a special relationship with his team and they adored him in return. Sam's and his team were able to transform the restaurant into a family atmosphere, build the trust of the community and was the place to go. He ran the restaurant until August of 2012 when he was injured in a car accident. Sam didn't allow his injuries to hold him back. He lived his life to the fullest. He loved to dance and have fun with friends and family. Sam was a died hard Dallas Cowboys and Los Angeles Lakers fan and everyone knew it. He never met a stranger and he will forever be remember as always walking around with a big smile, laughing or ready to have a friendly debate. His love for life and everyone he encountered is unmatched and reciprocated by all.

He leaves to cherish his memory his wife of 25 years Lisa and their daughters Samone, Sarenity and his niece Ashley who was more like a daughter along with her brother Rodrick who was more like a son. His mother in law Annette(Demarcus), his God sons Jeremiah, De'vontae, De Shon, De Von and Corey. His God daughters Blake, Anttana and Alexis. His siblings Stanton, Belinza, Charles(deceased), Fannie, Tasha (Vernon), Latrice(Tyrone), LaNiel(Reeka) and Latonio. He had 17 nieces and 16 nephews who he loved equally. He had brothers and sisters that are not known by anything but that...Kissha, Carla, Nadia,

Hey Daddy, I miss you and I can't wait til God brings me back with you.

Love Phoo!

Dear Daddyo, I love you so much I wish I could have said goodbye.... But IK God has a plan for our family and everything happens for a reason. I always find myself questioning God asking why he took you away from me and why you left me. I know you are watching over me and always with me. I love you Dadd yo and I see you in the future.

Love TU!

Poooh, I can't believe you left me. I know it wasn't by choice. You are my world, how do I go on? I know God has a plan for our lives but right now I just don't understand. I am truly heart broken. No matter what, I promise the girls I will be ok because we have you watching over us and God guiding us. Thank you for loving me unconditionally.

Forever your wife!
