is not a sign of weakness.
Nor is it a loss of faith.
It is the price of

LOVE.

When I get where I'm going
On the far side of the sky
The first thing I'm gonna do
is spread my wings and fly.

When I get where I'm going
I'm going to walk with my
papa and he will
match me step for step and
I will tell him how much
I have missed every minute
since he left. Then I will
hug his neck.

When I get where I am going.

Love lives on forever
