A Letter From Heaven

When tomorrow starts without me, and I'm not here to see,
if the sun should rise and find your eyes, filled with tears for
me.

I wish so much you wouldn't cry, the way you did today,
while thinking of the many things, we didn't get to say.

I know how much you love me, as much as I love you, and
each time you think of me, I know you'll miss me too.

When tomorrow starts without me don't think we're far
apart, for every time you think of me, I'm right there in your
heart.

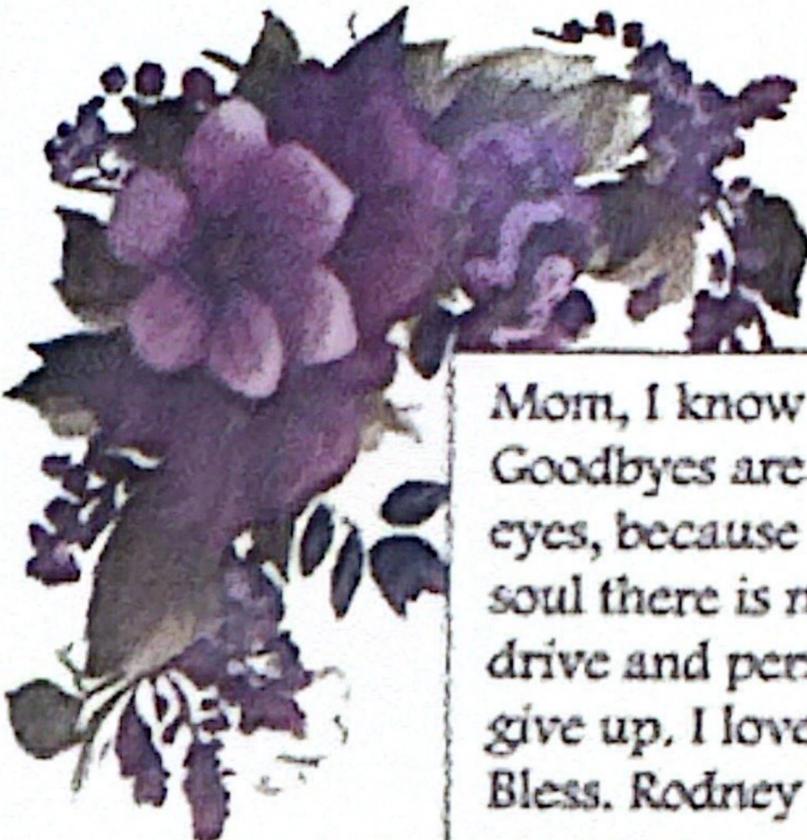

Rosie Marie "Re"

We Salute You Maw Maw!

Maw Maw, we stand today in somewhat of disbelief that you
are not here. We want you to know that you are missed and
we will love you forever. We know where we come from, and
you are a part of us. Don't worry no more, Maw Maw, we
will carry the torch. We will stand tall. Love you Maw Maw.
Your grandchildren, Courtney, Chad, Sydney, Feltashia, Faith
and your great grandchildren, Jayce, Kashton, and Lena Rose.

Ms. Chevis, I have known you
my entire adult life and it has
been fabulous. You were a strong
woman in a small package. Take
your rest now. You have fought a
good fight; you have finished
your course. Love you forever.
Mary (daughter-in-law)

Tributes

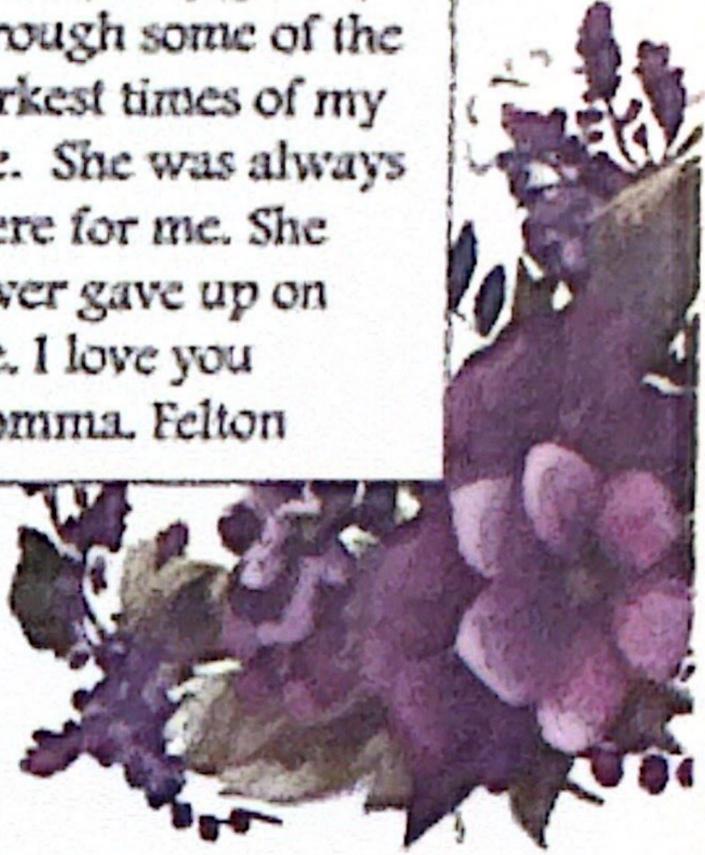

Mom, I know you are with us now...and always. Goodbyes are only for those who love with their eyes, because for those who love with heart and soul there is no such thing as separation. Your drive and perseverance have taught me never to give up. I love you mom. Rest in peace and God Bless. Rodney

Rosie Marie was a mama and maw maw known for her energy, sense of humor, and passion for spending time with family and loved ones. We will forever cherish the memories of sitting and laughing with her & daddy on the front porch, enjoying one of her big holiday meals, and long conversations with her about anything and everything. We find comfort in knowing her love will always be a part of us. We are thankful for the full life she lived and that we will see her and daddy again in Glory by the grace of God. John 5: 24

Cheryl Elaine and her daughters,
Kristin and Amber

Dearest Mom, I really cannot believe this is real, but I find comfort in knowing that God does not make mistakes. God has called my mom from labor to reward. I will miss you mom. You will forever be in my heart. Felicia

All my life I tried to prepare myself for this day. But you cannot prepare for the death of your momma. My momma was a mother, who raised me the godly way. What I did in my life is not a reflection on how I was raised. This day is hard for me. I miss momma already. My guide, through some of the darkest times of my life. She was always there for me. She never gave up on me. I love you momma. Felton
