Benediction

Recessional

Every time I look at all the stars,I know that's where you'll be

Shining like you always do,And watching over me

Although the pain I'm feeling is with me everyday,

The love you left inside my heart will never go away

Life goes on without you,But it will never be the same

And if I had my time once more,I'd do it all again

So when my days are darkest, And I just can't see the light

I'll look up at the brightest star, And you'll be shining bright

Love Princess Faye

DAD

MY DEAR SON ,MY BABY BOY

I don't know how to move forward without you. There is a vast hole in my heart. I can't believe I will never hear your voice or physically see your face. My pain runs deep. Why, Why did you have to leave me? Its so unfair. I know God's plans are not ours. But it doesn't stop the pain. How do I fight my way through this. I wish I could hold you in my arms again as if you were a newborn or give you a big hug. See and feel your big smile when I call you "My Baby". Reggie we shared an indissoluble bond, which makes this so much harder. You know MOMMA loves you so much. I know that you no longer have to deal with the disappointments of this world and that you are now watching over me. How ironic is that? You rest now "MY BABY BOY" MOMMA loves you.

MISSING YOU

You never said I'M LEAVING
YOU NEVER SAID goodbye
You were gone before we knew it
AND ONLY GOD KNOWS WHY

In life

WE LOVED YOU DEARLY

In death

We love you still

In our hearts we hold A PLACE

That only you can fill

It broke our heart to

LOSE YOU

But you didn't go alone

A part of us went with you

THE DAY

God took you home

*Missing you always, Love
Mom & Dad*
