

Lynda passed away peacefully on February 14, 2025, after a long, courageous battle with lewy body dementia.

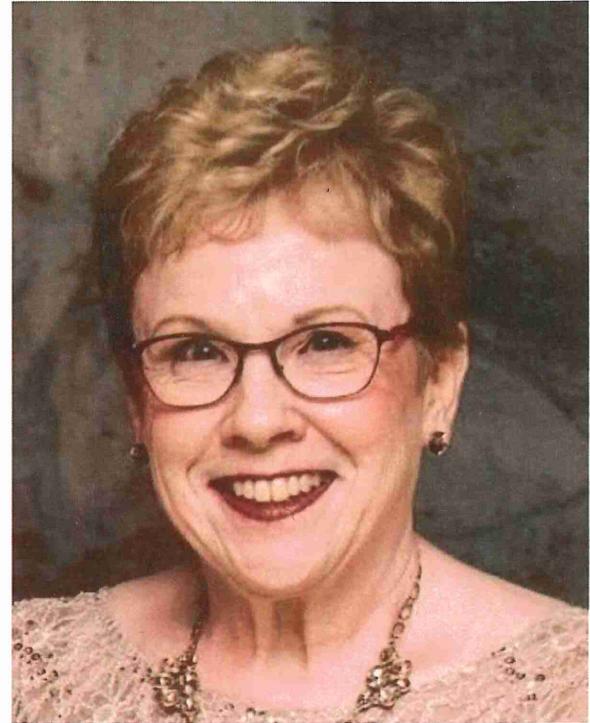

Lynda was a loving and loyal mother, grandmother, sister, aunt, friend, and wife, who devoted most of her adult life to helping children in need through her career as a social worker for Dakota County.

Lynda loved spending time with her friends and family, reading, antiquing, and attending concerts and will be remembered by all with a can of Diet Coke in her hand.

She will be deeply missed for her outrageous sense of humor, her care and compassion toward those closest to her, and for the unwavering generosity and selflessness she showed throughout her entire life.

In lieu of Lynda's family sending acknowledgement cards, please know they deeply appreciate your condolences during this difficult time.

## Celebrating the Life of

*Lynda Kay Lindberg*

May 1, 1953 - February 14, 2025

Love is patient,  
It doesn't envy or boast  
And it's never proud,  
Love is not rude or selfish,  
It doesn't get angry easily or  
Keep track of wrongs.  
Love doesn't delight in bad things  
But it rejoices in the truth.  
Love always protects, trusts  
Hopes, and perseveres.  
Love never fails

1 Corinthians 13:4-8
