Bikers Prayer

Biker angel be my guide
As I climb upon my scoot to ride
Let your halo light the way
And keep me safe from harm today
Let your wings provide me wind and air
And send it coursing through my hair
Find me a peaceful sunny place
And let it shine upon my face
Keep the clouds and rain at bay
And keep me dry throughout the day
Watch over my brothers who ride with me
Keep them safe and close to thee
Keep my wheels upon the ground
So I'll return here safe and sound
But should disaster be my fate
Guide me through to Heaven's gate
If I must join my fallen brethren
Please show me the way to Biker Heaven
