Jason (JayJay) was such a kind soul and got along with everyone. He was hard working. He was always willing to work. He was an amazing dad to his children. He always made sure his

babies were taken care of. He was a family man and made it his priority to take care of them. He also cared for our youth and I know he made an impact to so many youth in our community. He was an employee of Sakastew School for more than 15 years. Jay Jay loved to work and keep busy. He took pride in anything he did. He taught himself things by watching videos if he didn't know how to do it and he would learn from there. He was very determined to get things done. He did everything for his family, "LIKE EVERYTHING."

He loved to go visiting family and friends when he wasn't at home or work. He loved traveling with his family for the summer breaks. He loved doing contracts with his neestow Larry. They were inseparable. He impacted so many people in his life. He was a good person inside and out. He loved all his cousins, friends, coworkers and family. He will be deeply missed by so, so many. His favorite saying was, "YOU Don't Know Me, It's my birthday every day." We love you JayJay.

If I forgot anyone it was not intentional. He loved everyone.

In lieu of flowers, donations to the Sakastew School Breakfast Program would be appreciated by Jay Jay's family.
