

Acknowledgement

The family of Marvin Harper would like to take this time to say,
we thank you all for your warm embrace.

For every hug given, every hand held tight,
For standing beside us through our darkest night,
For every call, every prayer, every kind word spoken,
You helped bring comfort to hearts that are broken.

For flowers sent, for meals and care,
For being present, showing you're there,
For sitting in silence, for helping us stand,
For sharing the laughter, the stories, the tears,
You've eased our hearts and softened our fears.
We thank you for honoring his life in such a way,
For every tribute made and every word you say.
For walking beside us along this difficult way.

May God bless each one of you for the love you've shown,
For reminding us we are never alone. With heartfelt appreciation & love,
THE HARPER FAMILY

CELEBRATING *The Life & Legacy*

Marvin Harper was born on March 10, 1984 to the parents of Terry Harper (Vincent Bailey) & Marvin Gray (Elaine Gray) in Westwego, La but resided in Dallas, Tx. He was a man who carried happiness wherever he went. Graduated from Ferriday Highschool, and he was a CDL Tanker truck driver at Dreco Consulting LLC. His gym home was Finess Connection in (Dallas). His laughter was contagious; his presence was comforting and his encouragement heartfelt. He lived his life with passion, strength, & purpose. Marvin loved the discipline & energy of working out at the gym, finding joy in pushing himself and inspiring others to do the same. His commitment to health & strength mirrored the way he approached life, that's with determination, courage and focus. He had a deep connection to the open road and took pride in driving trucks, embracing the long hours with determination & dedication. Marvin was a cherished son who brought pride and joy to his parents, creating bonds that will never be broken. A devoted father that showed up with guidance whose love was unconditional and did everything he could to provide, teach, and uplift. Marvin was a loving brother who was protective, supportive and was always there in times of need. As an uncle he was a role model, protector and a source of laughter and comfort. He was a proud nephew and a caring cousin, who created memories that will be cherished forever and a friend who was always loyal and dependable. A reminder of the beauty in living fully and loving freely. His love will forever surround us, and his memory will forever live within us. Marvin leaves behind a legacy of love. A LIFE WELL LIVED A LEGACY Remembered

A STEADY HAND, A QUIET SMILE,
WHO MADE THE JOURNEY WORTH
THE WHILE.
A MENTOR, FRIEND, AND UNCLE
DEAR, WHOSE WISDOM CALMED THE
RISING FEAR.
THOUGH YOU HAVE LEFT THIS
EARTHLY SHORE,
YOUR KINDNESS LIVES
FOREVERMORE.
IN LAUGHTER SHARED AND LESSONS
TAUGHT,
IN EVERY WARM AND LOVING
THOUGHT.
THE VOID YOU LEAVE IS HARD TO
FILL, BUT IN OUR HEARTS, YOU'RE
WITH US STILL.
REST EASY NOW, YOUR SPIRIT FREE,
A GUIDING LIGHT
YOU'LL
ALWAYS BE.
FROM NEPHEW TJ

Family TRIBUTES

MARLIN HARPER

This hurt is like nothing I've ever felt before. We were each other's shadow, when people seen you they knew I wasn't far behind. Having brothers is special but having a twin is a gift. My gift has been returned back to God & now when people ask where you are I get to say "watching over me". All of our memories is all I have left of you & it's hurting me to the core of my soul because you are supposed to be here with me, but I will cherish those memories forever. Rest well bro I got it from here.

TERRY HARPER

You may be gone from this world, but you're never gone from my heart. I carry you with meal ways". I miss you, Brother. More than words can ever say", and "You're my guardian now forever and always".
Love Terry .

JERRY HARPER

No matter where life takes me, you'll always be my brother. Death can't break that bond. I love you beyond this world. From lil bro to big bro, just know you are loved.

GREG HARPER

Death may have taken you from this world, but it will never take you from me. You are in my heart, in my thoughts, in every breath I take. I will speak your name, honor your life, and love you for the rest of mine. You will always be my brother.

CRAIG HARPER

My big brother was not only a big brother to me but the blueprint to life because whatever he did or didn't do was the path I traveled he didn't hurt people so I never did he worked hard for what he wanted so I always have he was a stand up guy standing on all 10 all the time & he showed me how RIP BIG BRO..

FOREVER In Our Hearts

ERIC HARPER

Growing up, I didn't just look up to you because you was my older brother. I looked up to you because of the man you was. I was so incredibly proud of you & your drive, proud of your heart & proud of the way you treated people. But more than anything, I was just proud to be your 'lil brother.' That was a title I wore like a badge of honor. You paved the way for me taught me how to be strong, but you also taught me that the strongest thing you can do is make someone else feel good.

DERRICK (POPEYE) HARPER

I'll miss you my brother. These days don't feel real. Reminiscing from when we shared a room together to our rides on bourbon st, not to mention all the times you would try to play fight and I would tell you "man stop that you too old for that". In this moment I wish you were here to do it all over again. Life with you was never boring. Thanks for the laughs, the memories, and for always being you.
The Great Eight!

MOM

"Our hearts are shattered, torn in two,
No pain compares to losing you.
If love could keep you close, you'll still be here.
Held close, forever near. God called you home, we had to part, But you will live within our hearts.
Forever my son, forever our heart,
Not even death can tear us apart..

DAD

Though you're gone, you'll live forever in our hearts. Tears may fall, but the memories & love we shared will never fade. You were my oldest & one of my greatest blessings. I'm so glad God picked me to be your dad. We started off rough as father & son, but we finally got it right & had a bond that I will cherish 4ever. I love you forever, a& we'll cherish every moment we had. Don't worry, we've got babygirl down here for you. We'll always love you, son. `Your Dad & Bonus Mom
