From Your Grandchildren, With Love

Grandma, your love was warm and true,

A special gift we had in you.

With gentle hugs and caring ways,

You brightened all our childhood days.

You always showed us how to care,

With helping hands and love to share.

Your smile could light the darkest day,

Your kind words chased our fears away.

Though we can't see you like before,

Your love remains forevermore.

In every memory that we hold,

Your heart of gold will still unfold.

Grandma, we'll miss you every day,

But in our hearts you'll always stay.

Your love will guide us as we grow,

More than you could ever know.
