

Tributes

Tia, today we honor your life,
my precious daughter. Your
time here was far too short,
yet your love filled every
corner of my life.
And even in your absence,
your love keeps
shaping the world you
touched. It has left an imprint
that will never fade.
You are forever cherished,
forever missed,
forever ours. Your memory is
a blessing I will carry for all
my days.
With Endless Love,
Your Mother

Tia, our bright and beautiful
girl, your light still dances in our
world.
In every laugh, in every tear, we
feel your presence shining near.
You left too soon, but love stays
strong - a melody that plays
lifelong.
Aunties hold you in our hearts,
Where nothing precious ever
parts.
Love,
Your Aunties

IF ROSES GROW IN HEAVEN

If roses grow in heaven Lord
Please pick a bunch for me.
Place them in my
granddaughter's arms
And tell her they're from me.
Tell her that I love and miss her
And when she turns to smile,
Place a kiss upon her cheek
And hold her for a while
Because remembering her
is easy
I do it every day
But there is an ache within my
heart that will never go away.
Love,
Grandma Hazel

Our Mother is a woman like no other,
She gave us life, nurtured us, taught us,
dressed us, fought for us, held us, shouted at us,
kissed us, but most importantly she loved us
unconditionally. There are not enough words
to describe just how important our Mother is to
us and what a powerful influence she
continues to be.
We love you Mom,
From Taylin & Keshawn

A SISTER'S LOVE

In the quiet moments, when the day is through,
I close my eyes and think of you,
A sister's love, so pure, so bright,
Now a star that guides me through the night.

You were the laughter in our home,
The joy that filled each room with tone,
But now there's silence where you stood,
A void where your warmth and spirit once could.

We shared our secrets, hopes, and dreams,
Through life's winding roads and flowing streams,
You were my confidant, my closest friend,
A bond so strong, no time could bend.

Though you've left this world behind,
Your love remains, a treasure to find,
In every memory, in every smile,
You're with me still, across every mile.

I feel your presence in the breeze,
In the rustling leaves, in the swaying trees,
Your voice, a whisper in my ear,
Reminding me that you are near.

Today we gather, hearts heavy with pain,
To say goodbye, but not in vain,
For a sister's love, so deep, so true,
Is a light that will forever renew.

Rest now, dear sister, in peace and grace,
But know you'll never be replaced,
For in my heart, you'll always stay,
Guiding me along life's way.
