

A Good Life

When we are gone, and people weep for us and grieve,
Let it be because we touched their lives with beauty and simplicity.

Let it not be said that life was good to us, but,
Rather we were good to life.
Gone too soon, you will never be forgotten.

“Bestie”

Someone in Heaven misses you, who could it be?
Hey O’Neal, my bestie
You were never just my friend, you were my family,
my safe place, and my greatest joy.
I know losing me felt like losing part of yourself,
But I need you to keep living, laughing, and shining.
Carry me with you in every adventure,
and every moment of happiness.
I’m still right beside you, cheering you on, just like always.
There will never be another you.
You will always be my number one bestie.
Until we meet again
Love,
Brenda Gray
