

To Those Whom I Love and
Those Who Love Me

When I am gone, release me. Let me go
I have so many things to see and do.
You must not tie yourself to me with tears,
Be happy, that I have had so many years.

I gave you my love and you can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown
But now it is time I traveled on alone.

So grieve a while for me if grieve you must
Then let your grief be comforted by trust.
It is only for a while that we must part
So bless those memories in your heart.

I will not be far away for life goes on
So if you need me, call and I will come.
Though you cannot see or touch me, I will be near.
And if you listen with your heart, you will hear
all of my love around you soft and clear.

And then, when you must come this way alone,
I'll greet you with a smile and say
"Welcome Home."
