THE LIFE & LEGACY OF

# KIRBY JOE *Little*

**K**irby Joe Little was born on December 30, 1967. He was the beloved third child of Johnny Little and Esther Marie Little. Born and raised in Hempstead, New York.

Kirby joined the Marine Corps when he was 17 years of age, Semper Fi!

Kirby grew up with strong values that carried him through every chapter of his life, from his early years, to raising his family of his own, to becoming a trusted friend and mentor to many.

Beyond his work, he was a devoted husband, a loving father, a proud grandfather, and a loyal friend. He cherished time spent with family, gathering, sharing stories, lending a helping hand, and making people laugh with his easy sense of humor. His presence brought warmth and calm wherever he went.

Even through life's challenges, Kirby showed resilience and grace. He lived with purpose, always putting others before himself. His faith in God, patience, and steady spirit were a source of strength to those who knew and loved him.

He was preceded in death by his mother and father. He leaves to cherish his memories to his devoted, loving wife Tyeasha, his son Cyrus, his four daughters Roneasha, Myeasha, Keneasha, and Jameasha, his grandchildren Asyah, Ameera, and Jordan, and his brothers Harold and Lee.

Though he is no longer with us, his legacy lives on in the lives he touched, the love he gave, and the lives he reached. His memory will remain forever in our hearts.

*"Well done, good and faithful servant."*

*— Matthew 25:23*

# Reflection from his Wife, Tyeasha

Kirby was more than my husband; he was my partner, my best friend, my comfort, my confidant, my support system, a wonderful father to my girls, an exceptional grandfather, and such a huge part of my life. He was my Kirby. That's even how I have his name saved in my phone. I loved him wholeheartedly and deeply, and being his wife was a blessing that I will always cherish. We shared a life filled with love, laughter, memories, challenges, and so many moments that belonged only to us.

Kirby used to call me "Lucy," like Lucy from I Love Lucy, whenever I would mess something up, do something wrong, or just do something that made him look at me like, "Really?" Lol. It was just one of those little things between us that made us, us. I can still hear him calling me "Lucy," and I would give anything to hear him say it again.

Losing Kirby has left a space in my heart and in my life that can never be filled. I still cannot imagine this life without him, but I will carry the love we shared with me every single day. I will miss his presence, his voice, his laughter, his wisdom, his hugs and kisses, him calling me "Lucy," and simply knowing that he was there.

Kirby, I love you more than words could ever fully express. Thank you for the life we shared, for the memories you gave me, for allowing me to be your wife, for being such a wonderful father to my girls, and an exceptional grandfather. A part of my heart will always belong to you. You will forever be my Kirby, and I will forever be your Lucy. ❤️

Until we meet again, my love.

Your forever loving wife,  
Tyeasha "TYE"  
Your Lucy! ❤️

# Reflections

## From His Children – Roneasha, Myeasha, Keneasha, and Jameasha

Dad was our first protector, our teacher, and one of the greatest loves of our lives. He taught us to be strong, loyal, kind, and to never give up when life became difficult. No matter how old we became, we knew we would always be his girls, and there was comfort in simply knowing that Dad was there. His love gave us strength, his presence made us feel protected, and the lessons he taught us helped shape the women we are today.

We will miss his voice, his laughter, his advice, and all the little things that made him Dad. There will forever be a space in our hearts that only he could fill, but the love, lessons, and memories he gave us will always remain with us. We are forever grateful that we got to call you our dad, and we are so proud to be your daughters. We will carry your love and a piece of you with us wherever life takes us.

We love you forever, Dad. Always have, always will.

## From His Oldest Granddaughter, Asyah

My old man could light up a room with just one joke. He taught me to never settle for less and to always move with the best intentions. Though we rebuilt our relationship later in life, he always made sure I knew he loved me. He was my biggest cheerleader, and I'll forever cherish our memories. OOH RAH!!

# THE LOVE YOU LEAVE BEHIND

You lived with honor, strength, and grace,  
With loyalty that never swayed.  
A Marine: steadfast, brave, and proud,  
Yet gentleness was how you stayed.

Your heart was wide, your love was deep;  
Your family was your greatest pride.  
Through every joy and every storm,  
You stood faithfully by our side.

You gave us laughter, warmth, and wisdom,  
And memories time cannot erase.  
Though we wish we'd had more time with you,  
We're grateful for each day shared and for all  
the love you gave.

And now you rest within God's keeping,  
Held by Christ in whom you believed.  
Though deeply mourned, you're deeply  
loved,  
A blessing we were grateful to receive.

So rest in peace, Kirby Joe;  
Your earthly duty now is done.  
Until the day we meet again,  
Your love will live in everyone.
