

*May I go?*

*May I go now? Do you think the time is right? May I say goodbye to pain-filled days and endless lonely nights? I've lived my life and done my best, an example tried to be.*

*So can I take that step beyond and set my spirit free?*

*I didn't want to go at first. I fought with all my might. But something seems to draw me now to a warm and loving light.*

*I want to go. I really do. It's difficult to stay. But, I will try as best I can to live just one more day. To give you time to care for me and share your love and fears. I know you're sad and afraid, because I see your tears.*

*I'll not be far, I promise that; and hope you'll always know that my spirit will be close to you, wherever you may go. Thank you so for loving me. You know I love you too; that's why it's hard to say goodbye and end this life with you.*

*So hold me now, just one more time, and let me hear you say, because you care so much for me, you'll let me go today.*
