

GRANDMA

I cherish every memory and moment spent with her.

She was always your biggest supporter,

Always standing by your side,

Helping you through every step of life.

I will miss watching Murder, She Wrote,

I will miss baking holiday treats,

I will miss the constant supply of candy and ice cream.

I will miss her loving words,

The family stories,

The sleepovers,

And the chance to make more memories with her.

Through every stage of life,

She was a constant support.

She was your cheerleader.

And I will always

Cherish every memory and moment spent with her

A tribute to Grandma by Gracy Hiatt (granddaughter)
