

*My joy is full for I now know  
there's golf in Paradise.  
I'm on the seventh hole,  
and this course is REALLY nice!  
Fairways are all plush and green.  
The sun shines day and night.  
You never walk from ball to ball  
but move around by flight.  
Heaven has no green fees,  
and carts aren't needed here.  
Just name the club you want,  
and in a flash it will appear.  
Golf balls are the color gold.  
They sparkle and they shine.  
And if you hit one out of play,  
it isn't hard to find.  
But one thing's disappointing,  
and to me has been made clear.  
Though glorious and beautiful,  
my score's no better here.*

*In Loving Memory Of  
Dennis Plummer*

*May 9, 2026*

Dennis Jon Plummer was born on February 8, 1962, in Langdon, ND, to Ostle and Betty (Zarn) Plummer. He grew up on the family farm and attended school in Hannah, ND. During high school, Dennis played all four years of basketball and served as class president during his junior year. He graduated from Hannah Public School in 1980 as part of the final graduating class before the school closed.

Dennis attended North Dakota State College of Science. In his younger years, he enjoyed hunting, fishing, and working custom combining during the summer months before beginning his career with United Communications. Dennis dedicated 36 years of service to United Communications, where he worked his way up to network manager before retiring in 2022. Through the years, he built many lasting friendships and was known for his strong work ethic, dependability, and willingness to help others.

Dennis found great joy in golfing and rarely missed an opportunity to be on the course, participating in nearly every golf league in Langdon. During the summer months, he enjoyed making memories at his camper at Devils Lake, where he spent countless hours fishing, relaxing outdoors, and spending time with friends and family. During the winter months, Dennis escaped the North Dakota cold and traveled to Texas, where he cherished the warmth, friendships, and time spent with loved ones. He was happiest spending time at the lake or out on the golf course.

Dennis was known for his easygoing personality, quick conversations, and the friendships he maintained throughout his life. He will be remembered for his sense of humor and the many conversations, rounds of golf, and memories shared with those who knew him. Dennis is survived by his son, Dustin (Amanda) Plummer, and grandchildren: Dylan, Alexander, and Oliver Plummer - all of Minot, ND; brothers Douglas (Linda) Plummer and Dale (Diana) Plummer - both of Langdon, ND; sister Darla Halgren of Hillsboro, ND; sister-in-law Judi Plummer of Peoria, AZ; as well as numerous nieces, nephews, extended family members, and friends. He was preceded in death by his parents, Ostle and Betty Plummer; his brother, David Plummer; and brother-in-law John Halgren. Dennis passed away May 9, 2026, near Mason, TX, at the age of 64.
