I'm Free

*Don't grieve for me for now I'm free,
 I'm following the path God laid for me
 I took his hand when I heard him call,
 I turned my back and left it all*

*I could not stay another day,
 To laugh, to love, to work or play
 Tasks left undone must stay that way,
 I've found that peace at the close of day*

*If my parting has left a void,
 Then fill it with remembered joy
 A friendship shared, a laugh, a kiss,
 Ah yes, these things I too will miss*

*Be not burdened with times of sorrow,
 I wish for you the sunshine of tomorrow*

*My life's been full, I've savored much,
 Good friends, good times,
 my loved one's touch*

*If my time seemed all too brief,
 Don't lengthen it now with undue grief
 Lift up your heart, rejoice with me,
 God wanted me now, He set me free.*
