

Penny

She was a vessel of love—
A mother who loved her children,
A grandmother whose joy echoed through generations,
A sister bound by a love that time cannot break,
And a dear friend whose presence was a quiet blessing.

She moved through this life with grace—
Giving when she could, never turning away when someone needed her,
Loving more than she asked for,
And leaving pieces of her light in every heart she touched.

Her hands created, her spirit nurtured,
And her love covered those around her without condition.

Though her earthly journey has come to rest,
Her soul rises—unbound, at peace, and eternal.

She is not lost to us—
She lives in every lesson, every memory, every moment of love we carry forward.

And in the stillness, if we listen closely,
We will feel her—
Not gone... just transformed.

Rest in divine peace, Penny.
Your love lives on, and it will never fade.

We love you always,
Until we meet again.
