

I'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took His hand when I heard Him call
I turned my back and left it all I could not stay another day
To laugh, to love, to work or play
Tasks left undone must stay that way
I found that peace at the close of the day
If my parting has left a void
Then fill it with remembered *Joy*
A friendship shared,
a laugh, a kiss Ah, yes, these things I too will miss
Be not burdened with times of sorrow
I wish for you the sunshine of tomorrow
My life has been full, I've savored much
Good friends, good times, *a loved one's touch*
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief
Lift up your heart and share with me
God wanted me now, He set me **FREE!**
