

CELEBRATING THE LIFE OF

Cameron Jenkins

MARCH 10, 2005 - SEPTEMBER 29, 2026

Cameron Lee Jenkins, 21, of Manhattan, Kansas, passed away on September 29, 2026, in Manhattan. He was born on March 10, 2005, in Manhattan, Kansas.

Cameron was a beloved son, brother, nephew, grandson, and friend whose life meant more to his family than words could ever express.

Cameron was very artistic and creative and had a special ability to express himself through his creativity. He had a unique way of seeing the world through his own eyes, turning his ideas and imagination into something that was uniquely his. His creativity was one of the many things that made Cameron who he was and made him so special to those who knew and loved him.

Cameron is survived by his parents, Jon and Kristen Russell and Brett Jenkins; siblings, Carter Jenkins, Dakota Jenkins, Colton Ewing, and Caydence Ewing; as well as several aunts, uncles, cousins, and countless friends.

Cameron's 21 years were far too short, but the impact he made and the memories he leaves behind cannot be measured by time. His family and friends will forever remember his creativity, his personality, the moments they shared, and all the little things that made Cameron uniquely Cameron.

Though his time with us was brief, the love he gave and the memories he created will remain in the hearts of those who knew him. He will be deeply missed and forever remembered.
