*Those we love must someday pass  
Beyond our present sight  
They must leave us and the world we know  
Without their radiant light  
But we know that like a candle  
Their lovely light will shine,  
To brighten up another place  
More perfect - more divine:  
And in the realm of Heaven  
Where they abide so warm and bright  
Our loved ones live forever  
In God's eternal light.*

BENEDICTION

RECESSIONAL

God looked around His garden and saw an empty space.  
He then looked down from Heaven and saw your tired face.  
He put his arms around you and took you in his care.  
To make up for your suffering and took you to live with him there.  
You heard the voice of JESUS say, "Come unto me and rest."  
"Lay down thy weary one, lay down thy head upon my breast."
