

To My Big Brother

*Your time on earth seemed all too brief
because I wanted you in my life forever.
And although I really miss you,
in my heart I know that you are at peace.
Still, countless times throughout the day
I find myself remembering you.
Although I cannot see or hear you,
I know that you are with me.
I'll feel you in the warmth of the summer sun.
I'll see you in the brilliance of autumn leaves.
You'll be beside me in the peacefulness of a gentle snowfall
and rejoice with me at the emergence
of the first flowers of spring.
I'm thankful for the times we shared
and the priceless memories too;
for those memories are a comfort now when I lovingly -
Remember You.*

I will miss and love you always, Maryann

To My Dearest Family

*Some things I'd like to say, but first of all to let you know that I arrived okay
I'm writing this from Heaven, where I dwell with God above
where there's no more tears, or sadness there is just eternal love
Please do not be unhappy, just because I'm out of sight
remember that I'm with you, every morning, noon and night
That day I had to leave you, when my life on Earth was through
God picked me up and hugged me, and He said I welcome you
It's good to have you back again, you were missed while you were gone
as for your dearest family, they'll be here later on
I need you here so badly, as part of My big plan
there's so much that we have to do, to help our mortal man
Then God gave me a list of things, He wished for me to do
and foremost on that list of mine, is to watch and care for you
And I will be beside you, every day, week and year
and when you're sad, I'm standing there to wipe away the tear
And when you lie in bed at night, the days chores put to flight
God and I are closest to you, in the middle of the night
When you think of my life on Earth, and all those loving years
because you're only human, they are bound to bring you tears
But do not be afraid to cry, it does relieve the pain
remember there would be no flowers, unless there was some rain
I wish that I could tell you, of all that God has planned
but if I were to tell you, you just wouldn't understand
But one thing is for certain, though my life on Earth is o're
I am closer to you now, than I ever was before
And to my very many friends, trust God knows what is best
I'm still not far away from you, I'm just beyond the crest
There are rocky roads ahead of you, and many hills to climb
but together we can do it, taking one day at a time
It was always my philosophy, and I'd like it for you too
that as you give unto the World, so the World will give to you
If you can help somebody, who is in sorrow or in pain
then you can say to God at night, my day was not in vain
And now I am contented, that my life it was worthwhile
knowing as I passed along the way, I made somebody smile
So if you meet somebody, who is down and feeling low
just lend a hand to pick him up, as on your way you go
When you are walking, down the street and you've got me on your mind
I'm walking in your footsteps, only half a step behind
And when you feel the gentle breeze, or the wind upon your face
that's me giving you a great big hug, or just a soft embrace
And when it's time for you to go, from that body to be free
remember you're not going, you are coming here to me
And I will always love you, from that land way up above
Will be in touch again soon, P.S. God sends His Love*
