FOREVER IN OUR

hearts

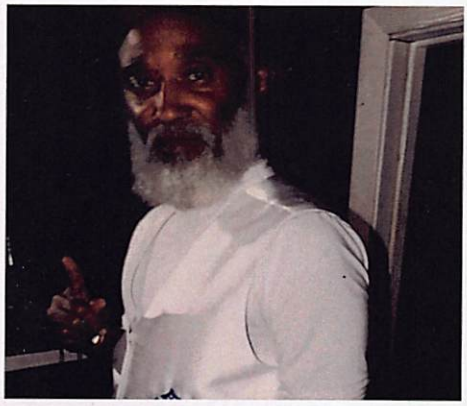

In the end,
we are all made of moments
we couldn't keep—
hands we didn't hold long enough
words we didn't say in time,
But what remains
is softer than memory
and heavier than pain—
it is the quiet truth that they shaped us
even after they were gone

A Mothers Love

"We hope our mother knows
how many times we thanked God for her
For the way she loved our family.
For the way she worried about all of us.
For every prayer
she has whispered on our behalf
We are so grateful she was ours"

Reunited at Last.....

"Some love stories
feel like a beginning
but ours—
it feels like a return.
Maybe we promised
a thousand lifetimes ago
that we'd find each other,
no matter the stars,
no matter the miles,
and now here we are,
two angels picking up
where we left off. "

Psalms 23

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures: he leadeth me beside the still waters.
He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.
Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.
