

**Let's take a cruise together. For Louise.**

Louise so loved a cruise. Now, we can imagine her dancing on a ship with Cliff. And we can gather together on a memory cruise, to share stories and celebrate her life.

Louise loved mornings – cats curling around her feet, coffee with friends, a swim. So that's when we will gather.

## **A Commemorative Gathering for Louise Mills** **At Louise's home, 13 Arroyo Seco Circle, Española**

**October 19, 2025**

**10 am until 12 noon**

(but feel free to stay until the last story is told)

And/or...you might like to spend the afternoon  
at the National Cemetery in Santa Fe, visiting the graves of Louise and Cliff

### **What to do:**

- RSVP to Cheryl Marita by email: [ctmarita@gmail.com](mailto:ctmarita@gmail.com) or text: **505-927-0798**.
- Bring a story, a memento, a picture to share.
- Bring something for the table—if you feel so moved. (Perhaps a favorite food or drink you shared with Louise?)
- If you like, come dressed for a cruise. Or, wear something that reminds you of our fun-loving Louise. When last seen, Louise was wearing cruise wear for her final trip to be with Cliff.
- If you would like to honor Louise with a donation, we suggest [Española Humane](#), our wonderful local animal shelter, which does a herculean job.
- Questions? Call or text Cheryl, **505-927-0798**.
