*I've completed what I started
I'm ready to go
The pain is getting greater
The lights grow low.
I've lived a life of
Ups and downs, but
Knowing love was all around.
Tears in your eyes asking me to stay
I'll try my best to give you a day.
I love you all, don't you know
Hold me close
My dearest daughter.
You know you must let go
The pain is overwhelming
I'm sorry to say the time has come
I cannot stay a second longer.
Tears will fall, hearts will break
Dry your eyes my dearest daughter
For I'm not leaving you alone
Now go be with your mother and brother.
My family is NOT apart
I've completed what I started*
