In Loving Memory

Steven Craig "Haney"
INGHRAM
1948-2026

This Isn't The End

From darkness and earth in which I now rest,
listen to me and hear my behest.

Do not despair or wallow in grief.

It is my time, that is my belief.

Whenever you miss me and heave out a sigh,
instead remember my laughter
in the blink of an eye.

For I will surround you in the natural world,
my soul continuing on like the flight of a bird.

Ashes to ashes and dust to dust
is what we become
when the wheel turns for us.

Returned to earth for life to renew,
rejoining our ancestors as is our due.
