### *Papa*

Crispy pop straight down the hatch.  
Money, bills that make a nice stack.  
Making home gizmos and gadgets,  
and standing outside, shooting rabbits.  
Pencil markings on a word finder page,  
while watching game shows  
and cowboys everyday.  
Weekly trips to get corner store snacks,  
He always had his grandkids back.  
These things we will hold dear  
to us, and be in our memories for many years.
