Obituary

Maya Antonique Morton was the beloved daughter of the late Phillip and Linda Morton. Maya was born on April 30, 1999, in Baltimore, Maryland. She was the youngest of her siblings. She tragically left us on January 30th, 2023.

Maya was a sister and friend, but most importantly she was a mother. She was kind and gentle and had a smile that could light up any room she walked into. Maya was the sweetest person, and she was very well loved by everyone that knew her. Maya recently headed back to school to pursue her degree and become a better mother for her children. She was working on several projects before her untimely death.

Maya was the gift that we could never have wished for, imagined, or even expected to receive in this lifetime, but always wanted. She never really complained. We will truly miss her spirit.

Maya leaves to cherish her fond memory, her two sons Ashton and Aryan; two sisters, Shawndesha and Quishay; two brothers Darrell and Phillip Jr.; several close cousins Jessica Lewis, Tomeca Morton, Myisha Morton, and Nicole Brewer; one sister-in-law, Ceaira Jackson; a special close friend, Rocky; and a host of other family and friends.

Broken Chain

We knew little that day that God was going to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you. You did not go alone: for part of us went with you the day God called you home. You left us peaceful memories your love is still our guide: and though we cannot see you, you are always at our side. Our family chain is broken and nothing seems the same, but as God calls us one by one the chain will link again.

Love Always,

Jess

My sister, my friend oh how I wasn't ready for our time to end. Your smile was so bright, now that is all I see every night. Our bond helps me get through my worse days and endure my toughest pain. I know I have an angel, but I lost a sister. I will never forget you and girl you know I'm going to miss you. Get your rest baby sister, I love you so much.

Always & Forever,

Shay

Sister,

I was not prepared to write this. Since the day you left us, I have struggled with accepting reality. Truth is my reality will never be the same. The road ahead of me will be so tough sis. Please guide me through it. I will forever keep your name alive. Please come and see us, please give us the strength, please watch over Ashton and Aryan. Please cover Shay and Rell, what's next sis? Please help me understand!! I am lost at this point, I am questioning everything. One thing I know for sure is I LOVE YOU!!

XOXO

Dee
