### WHEN TOMORROW STARTS WITHOUT ME

When tomorrow starts without me, and I'm not here to see,  
If the sun should rise and find your eyes are filled with tears for me,  
I wish so much you wouldn't cry the way you did today,  
While thinking of the many things we didn't get to say.  
I know how much you love me, as much as I love you,  
and each time you think of me I know you'll miss me too.  
But when tomorrow starts without me, please try to understand  
That an angel came and called my name and took me by the hand,  
and said my place was ready In heaven far above,  
And that I'd have to leave behind all those I dearly love.  
But when I walked through Heaven's gate I felt so much at home,  
When God looked down and smiled at me from His great golden throne.  
He said this is eternity and all I promised you today your life on earth is past,  
But here it starts anew I promise no tomorrow for today will always last.  
And since each day's the same way there's no longing for the past,  
So, when tomorrow starts without me don't think we're far apart.  
For every time you think of me, I'm right here in your heart.  
~ Love Drew ~

## TRIBUTES

### In Loving Memory of our Wonderful Dad

Of all the special gifts in life however great or small,  
to have you as our dad was the greatest gift of all.  
May the winds of love blow softly and whisper in your ear,  
"We love and miss you Dad and wish that you were here".  
Deep in our hearts, your life is kept to love and cherish, not forget.  
No more tomorrows we can share but yesterdays are always there.  
A silent thought, a secret tear keeps your memory ever near  
in our hearts forever.  
**Love Your Children,  
Amilyah, McKinsley and Legend**

### To Our Brother

We little knew that morning that God was going to call your name.  
In life we loved you death, in death we do the same.  
It broke our hearts to lose you, I you did not go alone;  
for part of us went with you the day God called you home.  
You left us peaceful memories your love is still our guide;  
and though we cannot see you, you are always at our side.  
Our family chain is broken, and nothing seems the same,  
but as God calls us one by one the chain will link again.  
**Love Your Siblings,  
Darrius, Laurence, Keisha, Dominique, Shequita and Robin**

### Gone too Soon

Words cannot describe the loss I feel saying farewell to you,  
But heaven chose to give you wings and now it's time you flew.  
I wish that we could have more time, that God had let you stay.  
Forever would not be long enough, but I would take one day.  
I wish I had just one more chance to see that tender smile,  
To laugh with you again my dear just for a little while.  
Gone too soon, but not forgotten, forever you will remain,  
My guiding light, my shining star, until I see your face again.  
**Love,  
Grandmom**

### To My Love

I was supposed to spend the rest of my life with you  
And then I realized... you spent the rest of your life with me  
I smile because I know you loved me till the day you went away  
And will keep loving me...till the day we're together again.  
**Love, Naja**
