**RECEPTION**

In the fellowship hall immediately following the  
celebration of life service.

There is no guilt  
Nor is their shame,  
There is only love  
In Jordan's name...  
We shared his journey  
We lived his story,  
But today he rests  
In Heaven's glory.  
A lifetime of memories  
We will always embrace,  
Someone very special  
We could never replace.  
One thing is certain  
And will forever be true,  
His love is a beacon  
That will always shine through...  
Yet things happen in life  
We may not understand,  
But with Faith Love and Hope  
We place it in God's hand.

*(from the hearts of your loving family)*

Jordan Cole Entzminger, 31, of Jamestown, passed away on February 27th, 2025.

Jordan was born in Jamestown to Tammy Gumke and Terry Entzminger on November 1st, 1993. He attended Bismarck State College after High School, but realized his love for the farm was where his passion was, as we all know, he had been working on the dairy farm since he could walk. Jordan was loved by many and had a heart of gold. He would drop whatever he was doing to help whoever needed it, especially if it had to do with

something on the farm. His passion was for the rodeo and anything that would allow him to stay in his element, however, he had many other interests and hobbies. Jordan cherished time with family and was often the vacation planner and motivated us to find something adventurous to do. His friends and family spoke highly of him and his love for pranking family and friends. He enjoyed sharing stories and laughs with everyone who would listen.

Jordan is survived by Tammy Gumke (Mom), Terry Entzminger (Dad ) & Melida Entzminger (Spouse), Megan, Allison, and Carmen (sisters), Justin, Ernesto, and Jean Carlos Vega (step brothers) along with Kashdon and Zeplin (nephews), Hazlehe, Journey, and Velah (nieces), grandpa and grandma, aunts and uncles, cousins, and friends.

Jordan is preceded in death by Tracy Entzminger (uncle), Jeff Michel (uncle), Peggy Runck (aunt), Alice Kooker (aunt), Mary Lehe Lorenz (grandma), Kyah Rose (his beloved dog) and many others that we dearly miss.

In lieu of flowers, the family kindly requests donations to: [Donate - AgriSafe Network @agrisafe.org](https://www.agrisafe.org). The costs raised will go directly to programs created to improve the mental health and safety of farmers and ranchers.

Your thoughts and prayers were felt by us all. Thank you for your sympathy during this time
