Forever My Husband, Forever My Love

*My heart still whispers your name
In the quiet of each day.
Though I can no longer hold your hand,
Your love will never fade away.*

*You were my husband, my best friend,
My shelter when life grew hard.
Through every joy and every tear,
You held a special place in my heart.*

*I look at our memories and smile,
Then sometimes I have to cry,
Because I would give anything
For one more moment by your side.*

*Years may pass, and seasons change,
But my love will still remain.
No distance can erase the bond
That death could never take away.*

*You may have left this earthly home,
But you will never leave my heart.
Our love is more than yesterday—
It's forever, even when we're apart.*

*So rest peacefully, my precious husband,
Until the day we meet again.
I'll carry you with me every day,
My love, my husband, my forever friend.*

*Forever your wife,
Forever your love. *
