“Sister”

Sister, since you passed away life just hasn't been the same. I would move heaven and earth to have you here with me again. The time we spent together meant the world to me. Your laughter and your precious smile as we grew up happily. I'm so grateful for the years we had and the closeness that we shared. Your heart, so kind and thoughtful. I always knew you cared. You were a wonderful sister. I miss you to no end. But more than just my family, I've lost my best friend.

**Love Forever & A Day,
“BB’ & Charity**

To My Destiney Whom I Called (Odessa)

If Only

If only I could see your face again walking through the door saying “Hey Mama, Hey Daddy”---If only I could give you a big hug and tell you I love you and hear you say it back. If only you were here to tell me what was going on or how you felt. If only I knew that when I walked out the door that morning, I would never see you alive again....If only God would allow you to return to us. **Odessa**, I love you so much and miss you.
If Only.....

**Love,
Your Mom & Dad
Teresa & Carl**
