

To My Kenton

"These are my footprints,
so perfect and so small.
These tiny footprints
never touched the ground at all.
Not one tiny footprint,
for now I have wings.
These tiny footprints were meant
for other things.
You will hear my tiny footprints,
in the patter of the rain.
Gentle drops like angel's tears,
of joy and not from pain.
You will see my tiny footprints,
in each butterfly's lazy dance.
I'll let you know I'm with you,
if you just give me the chance.
You will see my tiny footprints,
in the rustle of the leaves.
I will whisper names into the wind,
and call each one that grieves.
Most of all, these tiny footprints,
are found on Mommy
and Daddy's hearts.
'Cause even though we're gone now,
we'll never truly part."
We love you so much Kenton,
You are forever going to be missed.
