

# *Thank You Aunt*

From my early days  
She supported me in many ways  
She shared with me her hope and love  
She was a gift, sent from above.

I had a loving mother  
And she was yet another  
She still loves me for all I do  
I want her to know I love her too.

I have fought the good fight, I have  
finished the race, I have kept the faith.
