

# CELEBRATING THE LIFE OF

## *The Marvelous Being*

Satan was very busy,  
Spreading evil door to door.  
God thought He'll fix him!  
He would even up the score.  
He thought, "What could  
make the world shine brighter?  
To brighten up a gloomy day.  
What could stop the pain  
and help a bruise go away?  
Who would help you out  
when the world screams NO!  
Who would love you like  
your mom... Maybe even more?"  
God went to work... Designing  
a marvelous being!  
He filled her with patience,  
Made her the "World's Best Cook."  
Filled her with wisdom to  
warn you of your mistakes.  
Gave her a tongue of  
authority to pray you home safe.  
Made her a doctor to fight off a cold.  
Made her a machine of endless  
hugs and kisses galore.  
When He was almost done... God  
added just one thing more.  
I will give her eyes that sparkle  
when you enter the room...  
A sign that I'm here, watching over you.  
The answer was clear,  
Perfect indeed...
