### *After Glow*

I'd like the memory of me  
to be a happy one.

I'd like to leave an afterglow  
of smiles when life is done.

I'd like to leave an echo  
whispering softly down the ways,  
Of happy times and sunny days.

I'd like the tears of those who grieve,  
to dry before the Sun,  
Of happy memories that I leave  
when life is done.

### *Your Smile*

Though your smile is gone forever,  
And your hand we cannot touch  
Still we have so many memories  
Of the one we loved so much.  
Your memory is our keepsake  
with which we will never part  
God has you in His keeping  
We have you in our hearts.  
It is sad to walk the road alone,  
Instead of side by side.  
But to all, there comes a moment  
when the ways of life divide.  
You gave us years of happiness  
Then came sorrow and tears  
But you left us beautiful memories  
We will treasure through the years.
