

I'd like the memory of me  
To be a happy one,  
I'd like to leave  
an afterglow of  
*smiles*  
when life is done.

I'd like to leave an echo  
Whispering softly down the ways,  
Of happy times and laughing times  
And bright & sunny days.

I'd like the tears of those who grieve,  
To dry before the sun  
Of *happy memories*  
that I leave behind  
When life is done.
