If Tomorrow Starts Without Me

When tomorrow starts without me,

And I'm not there to see,

If the sun should rise and find your eyes

All filled with tears for me,

I wish so much you wouldn't cry,

The way you did today,

While thinking of the many things,

We didn't get to say.

I know how much you love me,

As much as I love you,

And each time that you think of me,

I know you'll miss me too.

So when tomorrow starts without me,

Don't think we're far apart,

For every time you think of me,

I'm right here, in your heart.
