

To Those I Love and Those Who Love Me

**When I am gone, release me, let me go,
I have so many things to see and do.
You must not tie yourself to me with tears
Be happy that we had so many years.
I gave you my love, you can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown
But now it's time I traveled alone.
So grieve a while for if grieve you must
Then let your grief be comforted by trust.
It's only for a while that we must part
So bless the memories within your heart.
I won't be far away, for life goes on
So if you need me call and I will come.
Though you can't see or touch me, I'll be near
And if you listen with your heart, you'll hear
All of my love around you soft and clear.
And then, when you must come this way alone,
I'll greet you with a smile and say,
"Welcome Home."**

**While processing to the cemetery, please be
sure to turn on your lights and hazards!**
