

*Don't miss me more than once a day
For life is moving fast
Don't wish all of your time away
Dreaming of the past*

*Don't waste the moment looking at
The things I left behind me
I'm not there anymore my life
Your heart is where you'll find me*

*Don't dread to say my name, sweet ones
Don't fear the wrath of sadness
Just take the love you had for me
and turn it into gladness*

*Some days your anger will rush out,
Your tears will find their way.
To me, wherever I am then
I'll soothe them all away.*

*When I am gone don't miss me more
than once or twice a day
there's so much more life to live my love
I'm with you all the way.*

*In Loving Memory Of
Linda Ann Fulmore
November 19, 1954 - August 28, 2024*

After a courageous battle, Linda Fulmore, aged 69 years of The Pas, died August 28, 2024 at St. Anthony's Hospital with loved ones by her side.

Linda was born in Portage la Prairie on November 19, 1954 to Jack and Anita Fulmore she was the second born of six siblings. She grew up in Lorette until her dad's work brought the family to The Pas when she was 13.

In her teen years, Linda enjoyed hanging out with her friends and working various jobs.

Her first marriage welcomed her children Scott, Michelle, and Wesley. In October 1985, she married Ken Huculak and shortly after they were blessed with two more

children, Andrew and Jodi.

In the 1980's Linda thoroughly enjoyed her time as a stock car driver and off the track she continued to drive everyday as though she were still racing, which earned her a role as passenger princess on road trips with the girls. She spent lots of her time in the summers at the family cabin at Clearwater Lake where she enjoyed many BBQ's, plenty of swimming, and made lots of memories until the cabin was sold in 2013.

Linda was well known as a familiar face for many years at the Wescana Inn dining room and lounge. She later moved over to Good Thymes with her expertise and knowledge to help open the restaurant. She trained plenty of servers throughout her career, and although plenty of years have passed since, many people still attribute their knowledge to the expert training she provided. Linda made a career change to the office where she was still able to provide customer service as "the pretty face at the front" at Baker Tilly until her retirement.

Her retirement allowed her to pursue her true passion; travel. Her first big excursion which sparked her love for travel was when she took a bus trip into Texas with her parents and siblings. She enjoyed her annual hot holidays, as well as travel to many European countries, a lot of the United States, and most of the Canadian provinces and territories.

In 1996 with the birth of Linda's first grandchild she earned a new title; Gram/Grammie and now has 16 grandchildren aged 3 months to 27 years. She always enjoyed spending time with her grandchildren, supporting whatever sport and activity they participate in and buying whatever fundraising item they were selling.

Linda enjoyed volunteering in various community activities such as; the 6/60 cleanup crew, planting and maintaining the community garden, Kelsey Community School, and The Pas Arts Council. She was always getting her miles in walking around town, picking up litter, deadheading flowers, and getting in her social time. She also enjoyed cooking and baking for her family and could not keep up with Wesley's butter tart demand, so she hosted a teaching session to teach Michelle, Andrew, and Jodi how to make them properly.

Linda is survived by her husband of almost 39 years, Ken Huculak, her children Scott Carnegie (Larissa), Michelle Jones (Dan), Wesley Carnegie (Jackie), Andrew Huculak (Irene), and Jodi Johnson (Doug), her 16 grandchildren, her siblings and in-laws, nieces and nephews, and much more family as well as many close friends. Linda was predeceased by her parents Jack and Anita Fulmore, her in-laws Ed and Lois Huculak and brother in law Mark Huculak.
