

*Remember the smiles and not the tears
 For all the hunts throughout the years
 Don't dwell on the things left unsaid
 Cherish the memories we had instead.*

*Like the crispy mornings and dusky nights
 A trophy buck within our sights
 Deer camp with friends and family
 These moments meant so much to me.*

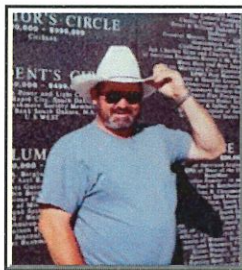

*When peace from nature all around
 Was shattered by a sudden sound
 I always hoped your aim was true
 And smiled with pride for all of you.*

*So don't cry for me because life is done
 Stalking the fields has just begun
 Come fall may smiles adorn you face
 Knowing I've gone hunting...
 in a better place.*
